

How to.... Tailor-make your Fly Cruise Holiday

What is Tailor-making?

In order to offer your passenger greater choice and flexibility, on certain trades, you now have the option to tailor-make their Fly Cruise holiday with P&O Cruises and Cunard. Where applicable, passengers will be offered the choice of charter or scheduled flights, group or private transfers and pre and post cruise hotel stays.

What are the Fly Cruise options?

For those passengers who wish to take the standard package without tailoring any elements, simply book the brochured package which includes:

- Return Group Transfers

If a passenger chooses the packaged option which includes charter flights they will not be able to book hotel stays.

Book a Tailor-made Package

For those passengers who wish to tailor their cruise holiday they can choose to book:

- Scheduled flights
- Upgraded transfers
- Hotel packages pre or post cruise

Hotels stays are only bookable when taking Scheduled Flights.
