SELF-SERVICE WINES

BY THE GLASS

Enjoy a 150ml glass of wine with your meal or at any other time of the day or night in the Waterside buffet restaurant. Choose from a selection of the very best wines from around the world which match a range of dishes, yet taste wonderful on their own.

Our state-of-the-art Enomatic wine serving system dispenses wine directly from the bottle using a revolutionary method of preservation. Once a bottle is opened, the flavours and characteristics of the wine remain intact for more than three weeks so every glass tastes like the bottle has just been opened for you.

To top up your Waterside Wine Card, simply stop by the Beachcomber Bar. You can add any amount to your card, as often as you like.

Terms & Conditions | To claim your Waterside Wine Card refundable deposit, simply return your card to Reception or the Beachcomber Bar before you retire on the last night of your cruise. Unused funds/credits on your card are non-refundable. Should you lose your card we are unable to refund your deposit or reimburse you for any unused credit, so look after it carefully.
